Hi there!Nice to meet you.
My name is Zhi. I'm a UX Designer, a self-taught chef and also a andarin Hip-Hop Researcher 🕶️🎤

WORK

Microsoft

Designer 2
Oslo, Norway
Sept 2022 - Now

Designer
Oslo, Norway
Apr 2021 - Aug 2022

As a designer on the *MS Enterprise Search* team, I focus on making users to find what they need to complete their work. Smoothly, efficiently, and maybe even a bit magically.
Always refining, always searching for better solutions (wink).

Endpoints: SharePoint, office.com, bing.com/work

Projects: AI integration in workplace search; Answers in search; Yammer in search; Messages in search.

Focuses:UX/UI/UR, Product Development, Product Strategy, User Validation, Co-Creation, Accessibility Design

Making Waves
Interaction Designer
Oslo, Norway
Nov 2019 - Now

Main clients: XXL, HubOcean, Fredensborg
Focuses: Digital Transformation, User/Customer Experiences, Strategy Design, Sustainable Design

Soundtrack Your Brand
Master Thesis Collaboration
Stockholm, Sweden
Feb 2019 - June 2019

Helping music curators to create a better music experience with unsupervised machine learning.
With music curation as an intervention point, exploring ways for human raters to collaborate with machine learning.

McKinsey Design
Interaction Design Intern
Stockholm, Sweden
Mar 2018 - Aug 2018

Main clients: Pfizer, First Abu Dhabi Bank
Focuses: Video Prototyping, Service Design, Mobile Design

above.se
Interaction Design Intern
Malmo, Sweden
Aug 2017 - Feb 2018

Main clients: Evoko
Focuses: Responsive design (from mobile to TV-sized product), Motion Design, Rapid Prototyping
